- What is something really nice someone has done for you?
- When is a time that enjoyed serving someone else?
- What is something you could use some help with?
- Who is someone you could serve who wouldn't expect it?
- Why do you think we feel really good when we serve others?

GOOFY Game

Name of the Game: That's Backwards!

Needed: Paper, Pens/Pencils and a hand mirror

What you do: Give everyone a piece of paper and something to write with. The goal is to try and write your name backwards so that when you look at it in the mirror, it looks correct! It will take some practice. Once you learn that, take turns saying a word and everyone tries to write it backwards. The best writing wins. When you get good at it, trying writing out this month's Victory Verse! It's a good verse to write backwards because the idea in the verse seems backwards too! Why would the greatest be the one who serves? Talk about it!

SERVICE

Monthly Motto:

I'VE GOT THE NERVE TO SERVE!

Think about It

We live in a world where everyone seems to be trying to get, get, get and then get some more! We like having people serve us, but serving others? We often don't like it! This might surprise you, but while many people think the more people you have serving you the more important you are, Jesus said that's backwards! Check out the Victory Verse for this month. Jesus says the more you serve, the greater you are!

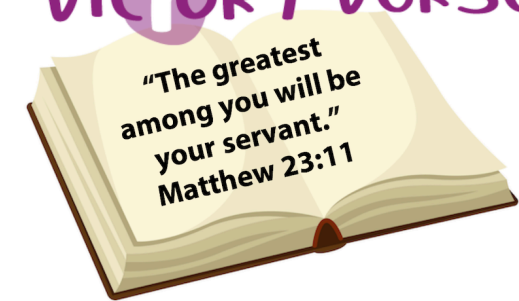

Double DaRE ya!

The family challenge!

Are you up for the challenge? Determine as a family what the reward will be if you complete the challenge!

YOUR CHALLENGE: God wants us to open our eyes to see those around us whom we can serve. Isaiah 58:10 says, "Feed the hungry, and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as noon." Our world can seem pretty dark at times with all the bad things that happen. God is saying that when we serve others we make the world a brighter place because when we serve others we surprise them and show them that God loves them. Your Family Challenge this month, should you choose to accept it, is to pray and discuss as a family someone you can help. It could be a person or a family who is in need. Decide how you are going to serve them as a family, and then go do it! **I double dare ya!**

VICTORY VERSE

As a family, memorize the Victory Verse this month. Want to be the greatest in your family? You'll have to be the one who serves the most!

Diggin' Deeper...

The Bible has lots to say about serving others. Here are some super Bible verses you may want to dig into this month as work toward developing the nerve to serve!

- Mark 10:45
- I Peter 4:10
- Hebrews 6:10

- Luke 6:38
- Proverbs 11:25
- Galatians 6:10

Make it count!

Here's an idea! Ten Times Challenge! Put everyone's name in a place where you can keep track of points, such as a chalk board a paper stuck to the 'fridge. The goal this month is to say, "How many I serve you?" ten times. The trick is, you have to actually do the thing that that your family member says as a result. Afterwards, you can claim your point. The first family member to get to ten points wins. When everyone gets to ten y'all head out for ice cream, or however your family celebrates. Pick the prize and then start serving each other! Use this month's motto as much as you can this month!
